

# THE DOCK & HARBOUR AUTHORITY

## Index to Volume LV May 1974—April 1975 Nos 645-657

### A

Aberdeen, 65, 142, 292  
  Dock scheme continues, 328  
  Offshore work, 57  
  Oil base, 61  
  Roll-on, roll-off service to Shetland, 22  
Abu Dhabi, 247  
  Offshore concession, 222  
Access equipment, 266  
Accident with a crane, 259  
Aegean Sea,  
  Offshore field, 221  
  Rights claim, 62  
  Turkey to start oil exploration, 288  
Air cushion interest, 235  
Air cushion lifting, 74  
Air cushion service, 296  
Airport, Maritime, 447-448  
Alaska, Oil route tankers, 448  
Algeria, Oil revenue, 419  
All-year navigation in St. Lawrence Seaway possible, 42  
American Civil War vessel, 80  
Amsterdam, 23, 108, 145, 263  
  Cargo figures, 490  
Anchor salvaging, 158  
Androssan, 143  
  New quay, 227, 267  
Anglesey Marine Terminal Authority, 66  
Anlwh, 66  
Annual Digest of Port Statistics, 201  
Antarctica's first port installation, 166  
Anti-pollution craft, 499  
Antwerp, 46-49, 471  
  Deurne airport, 447  
  New dock tenders, 422  
  1924 port extension, 20  
  6th International Harbour Conference, 7-11  
Appointments, and Company News, 38, 82, 118, 160, 200, 238, 274,  
  306, 400, 436, 468, 504  
Aqaba, Transportation study, 423  
Arabian Gulf, Port development in the, 246-249  
Aratu, Brazil, 189  
Arctic,  
  Canadian oil-drilling, 416  
  Drilling ships, 222  
Atlantic liner trade, 409  
Atlantic, West of the Isles oil search, 62  
Auckland, 143  
Australia,  
  Coastal trade, 32  
  Graving dock, 332  
  Mackay, 452  
  Men idle, 448  
  NSW trade up, 224  
  Portland, 68  
  Sun City Marina, 233  
Automated shipping, 29  
Avonmouth, 262

### B

Baalhoek, Lock construction, 8  
Baffin Island, 145  
Bahrain,  
  Dry dock, 67  
  Mina Sulman, 451  
  Muharraq Island, 104  
Balcan Emergency Lifeline, 64  
Baltic and International Maritime Conference (BIMCO), 465  
Baltic ports union urged, 332  
Baltic Sea drilling, 221  
Baltimore, 27, 105, 226  
  Dredge system, 149  
Bandar Shahpour, Iran,  
  Quay construction, 423  
Bangladesh,  
  Chittagong LASH terminal, 429  
Barbados, Oistins, 67  
Barge Aboard Catamaran, 1  
Barges, Fire risks, 98  
Barrow, Future uncertain, 223  
Basrah, Port development, 423  
Bass Strait, 457  
Beirut, Port extension, 423  
Belfast, Record tonnage launched, 459  
Belgian ports—bright future ahead, 46-49  
Bohdan Nagorski, 15, 285, 419  
Bombay, 188, 264  
Bonaire, 105  
Book Reviews, 21, 64, 101, 465  
Bordeaux, 404  
  Ro/Ro berth, 75  
Boston, 245  
Botany Bay, 24, 225  
  Contract for berth, 492  
Bradwell Marina, 310  
Brazil,  
  Growth in shipbuilding, 458  
  Offshore oil strike, 417  
  Outfall contract, 147  
  Record shipyard orders, 330  
  Tubarao, 167  
Brazilian shipbuilders, 28  
Bremen, 188  
  Container leaders, 225  
  Investment, 67  
Brisbane, 144  
  Deepwater port, 492  
  Dredging, 225  
Bristol, 66  
  Home for steamship, 434  
  New dock, 110  
  Ro/Ro service lost, 261  
Bristol Channel,  
  Barrage study, 202  
  Location of spoil grounds, 120-124  
Britain, Made in, 34, 77, 114

## B—continued

- Britain,
  - Merchant fleet, 71
  - Safety in ports, recommendations, 149
- British Colombia,
  - Shipyard boom, 108
- British Gas Corporation, 69
- British Ports Association, 39, 276, 469
- British Rail shipping investment, 333
- British Transport Docks Board (BTDB), 39, 65
- British Waterways Board, 440
- Brunel's Three Ships (review), 101
- Buffalo River, Dredging, 70
- Building Research Establishment (BRE), 308
- Bulk carrier contract, 106
- Bulk handling facilities at Kamsar, 407
- Bunbury, Australia, Creating a new harbour, 191
- Bypassing sediment—plants and arrangements, 91-94

## C

- Cadiz shipyard nears completion, 95-97
- Calcutta :
  - Fleet extended, 229
  - Hoogly River dredging, 268
- Cameroun dredging contract, 147
- Canada :
  - Air cushion interest, 235
  - Corner Brook, 491
  - Glacier retreat mystery solved, 303
  - Mackenzie River oil drilling, 417
  - West coast dry dock, 332
- Canadian coastal service challenged, 183
- Canadian Hydrographic Conference, 44
- Canadian oil-drilling in the Arctic, 416
- Canals, 1
  - Kra, 12
- Cape Town Docks, 100
- Car ferries, Fishguard/Rosslare, 195
- Cargo Handling and Transport News, 31, 74, 112, 153, 193, 235, 269, 295, 333, 428, 455, 496
- Cargo handling facilities, 14
- Cargo movement conference, 154
- Cargo availability fall, 76
- Case for US deepwater ports, 283-284
- Celtic Sea :
  - Drilling abandoned, 62
  - Gas find, 61
  - Positive oil finds likely, 287
  - Second oil strike, 417
- Ceylon, see Sri Lanka
- Channel Tunnel, Cancellation, 307
- Cherbourg, Ro/Ro terminal, 146
- China, Offshore drilling suggestion, 222
- Chittagong, Appointment for project, 159
- Churchill, 190
- Cinque Ports, 198
- Circulation drilling equipment, 408
- Civitavecchia, Italy, 146
- Clyde, Oil construction sites, 221
- Coal terminal, US largest, 153
- Coastal Engineering, I & II (review), 64, 131
- Coastal Tankers, Cuban order, 108
- Colchester, Improvements planned at the port of, 19
- Colombo, Multi-purpose dockyard is planned, 184
- Combustion control unit, 231
- Commonwealth Parliamentary Association Conference, 290
- Company News and Appointments, 38, 82, 118, 160, 200, 238, 274, 306, 400, 436, 468, 504
- Computer usage in port traffic control, 444-446
- Concrete repair, Underwater, 405
- Condensation, in containers, 430
- Construction, and World Dredging, 453, 494

## C—continued

- Construction Industry Research and Information Association (CIRIA), 308
    - Review of research, 314
  - Container and ro/ro investments pay off, 65
  - Containers,
    - Cassette, 497
    - Condensation, 430
    - Costs, 112
    - Crane transfer, 235
    - Deckships, 295
    - Handling, 75
    - Handling vehicle, 461
    - SE Asia traffic up, 235
    - Sideloader for Russia, 154
    - USSR competition, 301
  - Container services,
    - Amsterdam/Caribbean, 455
    - Europe/Far East, 456
    - Europe/Japan, 496
    - Felixstowe/Gothenburg, 31
    - Ipswich/Amsterdam, 428
    - Middlesbrough/Scheveningen, 32
    - Rochester/Rotterdam, 296
    - Shoreham/Bilbao, 421
    - Tilbury/New York, 194
    - Transatlantic, 296
  - Container terminal, Hong Kong, 195
  - Container traffic, Port of London, 39
  - Continental subsidies applied to UK ports, 255
  - Contract specifications in dredging operations, 2-6, 40-42
  - Cooperation between the North West Mediterranean ports, 128-130
  - Corner Brook, Canada, 491
  - Crane Accidents, 259
  - Crane safety, 21
  - Cranes Today Handbook 1974, (review), 21
  - Crouch Harbour Authority, 501
  - Crude oil terminal, Teesside, 214-217
  - Cuba, Coastal tanker order, 108
- ## D
- Damman, Saudi Arabia, 247, 491
  - Dead Sea oil search, 62
  - Deepwater ports, Case for US, 283-284
  - Deepwater Ports Act (US), 454
  - Deurne airport, 447
  - Distress signal, Sunken ships, 299
  - Divers, Seabed drilling, 228
  - Dock & Harbour Authority, New Editor, 119
  - Docking, Of nuclear ships, 1
  - Dock Labour Scheme, 437
  - Dock Workers' Employment Scheme, 83
  - Doha, Qatar, 247
  - Dover, 102
    - New berth, 137
    - Ro/Ro berth reclamation, 325
    - Ro/Ro boom, 327
    - Viaduct over cliffs, 187
  - Dover, Delaware, 23
  - Dredgers,
    - New features, 111
    - Sand, 27
    - One-man, 26
  - Dredging, Post-graduate studies, 298
  - Dredging contracts, 26
  - Dredging operations, Contract specifications in, 2-6, 40-42
  - Dredging Research Unit, Activities of UWIST's, 5-6
  - Dry bulk carrier service, Evolution of a modern, 182
  - Dry Docks,
    - Cadiz, 95, 97
    - Canada West coast dock, 332
    - Frederica, 324
    - Malta, 151

## D—continued

- Plymouth, 97
- Singapore dock in operation, 330
- Vancouver dock underused, 186
- Dubai, 247
  - Khor Khwair, 423
  - New port extension, 67
  - Port Rashid, 188
  - Port Rashid dry dock, 150
- Dublin, Development nearly completed, 450
- Dumping at Sea Act 1974, 290
- Dundee, 65, 103, 187
  - Development of offshore facilities, 292
  - Oil rig supply ships, 422
- Dunkirk, 402, 470
- Durban, 464

## E

- Eastport, 189
- Echo sounders—a low-cost alternative, 89-90
- Ecuador, Oil terminal, 494
- Editorials, 1, 39, 83, 119, 161, 201, 239, 275, 307, 401, 437, 469
- Egypt, Suez studies, 328
- Ekofisk, 138-140
  - Pipeline, 61, 431
- Elbe, New dredger, 495
- Engineering the Kra Canal, 12-14
- Equipment and Services, 156, 196, 231, 272, 299, 335, 432, 461, 499
- Erie Railway Company, 20
- Establishing liability for a fatal accident, 412
- European Ports Policy, 239
- Europoort, 26
- Evolution of modern dry bulk carrier service, 182
- Evolution of the supply vessel, 218-220

## F

- Felixstowe,
  - Cargo figures, 490
  - Increased profits, 421
  - Profit down, 224
  - Research, 312
- Ferries, Hull/Zeebrugge, 75
- Fifty Years Ago, 20, 50, 100, 141, 170, 213, 250, 291, 339, 420, 464, 493
- Finale to £100 m improvement of Rotterdam's harbour entrance, 25
- Financial self-sufficiency for ports, 15-18
- Finland, Ports, 67
- Fire risks, Barges, 98
- First production platform for the Forties Field, 51-53
- Firth of Clyde, Ferries boom, 337
- Fleetwood,
  - Freight service to Ireland, 154
  - Ro/Ro terminal enters use, 455
- Floating Dock,
  - Brazil, 106
  - Gdansk, 152
- Floating dredger for Iraq, 454
- Flood banks, Problems associated with, 311
- Florida, Offshore oil port, 62
- Forth estuary, 142
- Forth Ports, Traffic figures, 422
- Forties Field, First production platform for, 51-53
- Fowey, 142
- France's maritime policy: its origins to 1713, 276-278
- France's maritime policy: 1713-1869, 402-404
- France's maritime policy: 1789-1918, 470-472
- Frederica, Denmark, dry dock, 324
- Freemantle, 225
- Freight Containers: the evolution of international standards, 413-414

## F—continued

- Freight Services,
  - Amsterdam/South America, 263
  - Australia/ New Zealand backlog, 270
  - Canada/USA and Far East/S.E. Asia, 76
  - Felixstowe/Gothenburg, 31
  - Fleetwood/Ireland, 154
  - Fishguard/Rosslare, 33
  - Grimsby/Norway, 429
  - Ipswich/Rotterdam, 269
  - Le Havre/Bellport (Mon.), 193
  - Le Havre/Waterford, 193
  - London/Brazil, 295
  - Middlesbrough/Scheveningen, 32
- Freightwaves '75, 440

## G

- Gas find in Celtic Sea, 61
- Gas pipeline, Ekofisk, 431
- Gas storage system, Preparing an underground, 69
- Gas terminal, 221
- Gdansk, 23, 103
  - Floating dock progress, 152
  - Ore terminal construction, 294
- Gdynia, 23
- General Council of British Shipping, 448
- Genoa, 50
- Ghana, Oil find, 62
- Ghent, 46-49
- Glasgow, Dockers agreement, 292
- Glebe Island, Container terminal, 31
- Goodwins, Daring rescue, 116
- Goole, 449
- Gothenburg, 339, 481
  - Port development, 450
- Govan shipyard, Redevelopment, 72
- Grangemouth,
  - Dock entrance completed, 148
  - Lock entrance doubles dock capacity, 210-212
  - Orkney services increased, 237
- Graythorpe I. 51
- Great Lakes,
  - Addition to fleet, 72
  - Needs further, larger lock, 27
  - Ships' sewage at, 178
- Greek Aegean rights, 62
- Greenland, Oil exploration, 62
- Grimsby, 143, 449
  - Imports up, 224
- Guidelines for industrial port development, 21
- Gulf of Mexico, Oil find, 62

## H

- Halifax, Nova Scotia, 24, 144, 190, 226
  - Second container terminal, 491
- Hamburg, 103
- Hamilton, 144, 260, 452
  - Tonnage reduced, 264
- Harbour Conference, Antwerp—6th International, 7-11
- Harbour design, Hydraulic problems of, 438-440
- Harbour protection, Wave resonators for, 279-280
- Harbour revival—offshore support around Britain, 132-137
- Harbours, Manoeuvres in, 171
- Harbours, ports and offshore terminals, 124
- Harbours, Manoeuvres in, 171
- Harbours, Ships in, 171-174
- Hardstanding areas, 314
- Harwich,
  - Dredging operation, 192
  - Port Navigation Service, 441
- Helsingborg, Cargo figures, 490

## H—continued

- Helsinki shipyard, 29
- Herne Bay Cliff stabilisation, 227
- Hong Kong,
  - Container terminal construction, 195, 328
  - Cutting handling costs, 236
- Hornsea, Pipe-pulling completed, 192
- Houston, 189
  - Container wharves, 452
  - Marine terminal, 271
- Hovercraft, Experiments in icy conditions, 330
- Hovercraft skirt, 260
- Hover platform, 409
- Hover transporter, Worlds' largest, 77, 270
- Hoy, 466
- Hull, 449
  - Further ro/ro expansion, 281-282
  - New container service, 496
- Humber,
  - Navigation, 88
  - Ports, Record trade, 449
- Hydraulic pressure effects, 406
- Hydraulic problems of harbour design, 438-440
- Hydraulics Research Station, 332
- Hydrography for the Surveyor and Engineer, (review), 64

## I

- Icebergs, Tracking, 217
- Icebreaker, 80
- Immingham, 449
  - Freight fall, 224
  - Major expansion plans, 102, 112
- Implications of recent research for the design of ports and harbours, 308-314
- Improvements planned at the Port of Colchester, 19
- India,
  - Cargo routes extended, 193
  - Container handling facilities, 456
  - Oil drilling report, 418
  - Shipbuilding plans, 265
  - Ties with Poland, 460
- Indonesia, 104
  - Port development, 424
- Industrial Port Development, (review), 21
- Inflatable dam for the sinking city, 253-255
- Inland shipping research and development fund, 18
- Inland Waterways Association, 1, 18, 161
- Institute of Oceanographic Sciences, Birkenhead, 279
- Inter-Governmental Maritime Consultative Organisation (IMCO), 498
- International Association of Airport and Seaport Police, 208
- International Association of Dredging Companies, 109
- International Cargo Handling Coordination Association, 14
- International Offshore Technology, 251
- International standards, Freight containers, 413
- Investment control of ports, 475
- Ipswich, 66
  - River Gipping transformed, 148
  - Surplus fall, 224
  - Tonnage total, 450
  - Water pipeline, 326
- Iran,
  - Bandar Shahpour, 423
  - Dredging project underway, 325
  - Larger vessels to Bandar Shahpour, 227
  - Oil Revenue, 419
- Iraq,
  - Floating dredger order, 454
  - Oil revenue, 419
- Iron ore exports, Tubarao, 167
- Isle of Grain, Dredging contract, 70
- Israel, Port traffic expansion, 294

## J

- Jane's Freight Containers, (review), 465
- Japan,
  - European contract, 185
  - Prepares for the million-tonners, 71
  - Ship research plant, 426
- Johore, Ship repair yard, 151
- Jorf Lasfar, 104
- Jubail, 23, 247

## K

- Kallo, Lock construction, 8
- Kansar, Bulk handling facilities, 407
- Kaohsiung, Taiwan, 424
- Karachi, Port, 20
- Khor Khwair, Dubai, Harbour construction, 423
- Kingston-upon-Hull, 141
- Kra Canal, Engineering the, 12-14
- Kuantan, Malaysia, 451
- Kuwait, 247
  - Shiporder, 331

## L

- Lake of Tunis, Removing sludge, 111
- Land economics, 476
- Land, reclaimed, 147
- LASH, 152
  - Chittagong terminal, 429
  - Mediterranean service expanded, 266
  - Polish plants, 429
  - Sri Lanka service, 236
- Latin American Dredging Association, 454
- Launceston, Tasmania, 226
- Legal Notes, 63, 98, 259, 289, 412
- Le Havre, 66, 402, 404, 470
  - Grain record, 225
  - Strengthened position, 422
- Leith, 213
  - Liability for a fatal accident, Establishing of, 412
  - Liability for damage to goods in cold store, 289
  - Liability for failing to take evasive action, 289
  - Liability of a port employer, 473
- Lightfloats, 114
- Liguria, 294
- Liners,
  - Floating condominium, 435
  - Future of, 467
- Liquid natural gas,
  - Conference on carriers, 332
  - Spanish shipyard, 150, 229
  - Tanker contract, 73
- Liquid petroleum gas carrier launched, 107
- Liverpool, 223
  - Brunswick entrance, 327
  - Grain terminal, 261
  - Major docks development, 490
  - Mission to India/Pakistan, 422
  - Soya bean plant, 449
  - Wine storage, 186
- Lloyds' Return, 427
- Location of spoil grounds in sedimentary systems, 120-124
- Lock construction,
  - Baalhoek, 8
  - Kallo, 8
- Locked dock system, A model for the economic appraisal of, 202-208
- Locks, Great Lakes, 27
- London, Port of, 39, 45, 261
  - Authority, 307
  - Container negotiations, 327
  - Maplin—seaport crucial to, 45

## L—continued

Ro/Ro terminal expansion, 292  
Thames Barrier, 142  
Long Beach, Calif., 189, 424  
Queen Mary, 466  
Los Angeles, 189  
Lough Neagh, Outfall pipeline, 431

## M

Made in Britain, 34, 77, 114  
Madras, 493  
Malaysia,  
Kuantan, 451  
Offshore oil strike, 222  
Oil expectations, 288  
Malta,  
Drydock, 151  
VLCC shipyard, 331  
Mangalore,  
New port, 424  
Port improvements, 20  
Manila, Containerised pier, 68  
Manceuvres in harbours, 171  
Maplin airport axed, 83  
Maplin—seaport plan crucial to Port of London, 45  
Marinas,  
Bradwell, 310  
Sun City, 233  
Marine piling, 405-409  
Marine research vessel, 30  
Maritime airport, 447-448  
Marseilles, 402, 404, 470  
Marseilles/Fos, 293  
Record year, 422  
Maui natural gas/oil—New Zealand's big investment, 54-57  
McKenzie River, Dredging feasibility study, 494  
Mediterranean ports, Cooperation, 128-130  
Melbourne, 24, 190  
Bucket dredger, 494  
Container complex, 424  
Expansion of facilities, 225  
Merchant Shipping Act, 1974, 290  
Middle East, Dead Sea oil search, 62  
Mina Sulman, Bahrain, 247, 451  
Minesweeper, 73  
Mini-submarine sails for Aberdeen and work offshore, 57  
Mississippi shipyard, 425  
Model for the economic appraisal of any locked dock system, 202-208  
Montreal, 190  
Morocco, Oil exploration, 62  
Muharraq Island, 104  
Muscat, 247

## N

Nanaimo, Canada, 190  
Naples, 250  
National Association of Port Employers, 276, 469  
National Dock Labour Scheme, 437, 469  
National Ports Authority, 161  
National Ports Council, 39  
Cost survey, 88  
Digest, 440  
Navigation aids, 432  
Netherlands Antilles, Bonaire, 105  
New berth for Dover, 137  
Newcastle, New South Wales, 24, 291, 492  
Deficit, 185  
\$A65 million scheme, 297  
Trade record, 224

## N—continued

New Orleans, 24, 145  
Deep-draft access study, 263  
Mississippi shipyard, 425  
Newport—the reality behind a large ship terminal, 84-87  
New York City, 68  
New York, Port of, 105  
Channel clearance due, 267  
Container security, 154  
Harbour debris, 145  
Lower handling costs, 271  
Navigation improvement measures, 149  
New Zealand Electricity Department, 54  
New Zealand,  
Oldest dredger, 117  
Pacific mineral find, 111  
Tug construction, 94  
New Zealand's big investment, Maui natural gas/oil, 54-57  
Nile, Shallow boats for medical service, 305
